Ethica Annual Report  
Toastmasters Magazine

Used Chat GPT and Stable Diffusion  
to write and illustrate magazine articles

Went from 1 article per week to a few a day

Created fliers, posters, cards  
and a welcome packet for the  
phone, all with AI art

# Apps

Toastmasters Timer  
The App that Goes Wrong

AI designed the user interface

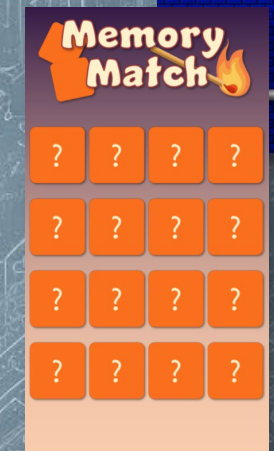

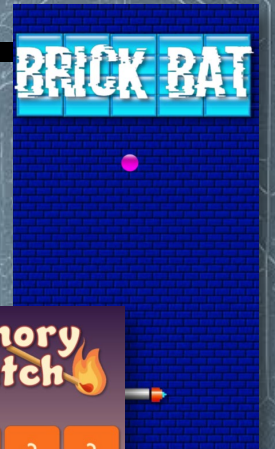

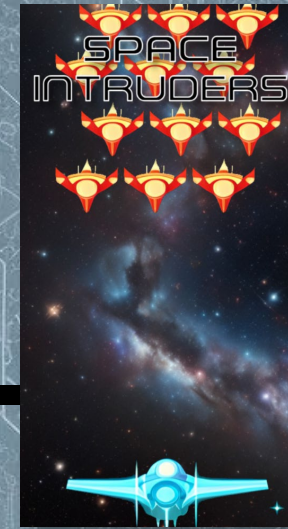

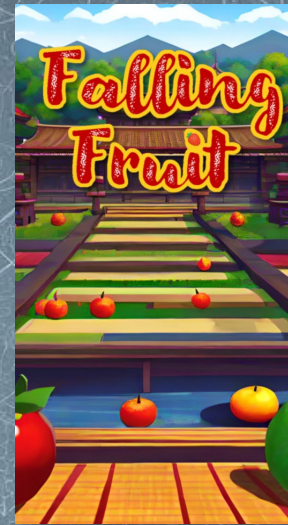

Chat GPT imagined all of the “apps that go wrong” in this promotional mini-game to promote “The Play That Goes Wrong”
